### **Why Work Here?**

“Growing Company with upward career opportunity”

Growing Contents Restoration & Structure Cleaning division of J&R Restoration is seeking a full-time **Cleaning & Contents Restoration Technician** to work Monday-Friday, 7:30 am-4 pm. Experience with structure cleaning, contents cleaning, pack outs and more is a plus but **TRAINING WILL BE PROVIDED.**

Competitive pay based on your experience (double-time pay on Sunday's and Holiday's), plus “call-out money, and full benefits available!

Position handles property pack-outs that includes moving contents from property to our warehouse. We are seeking people who are detail oriented when it comes to cleaning household items (fine art, jewelry, electronics, leather, area rugs, furniture, upholstery, etc.) using various machines (ultrasonic, ozone, Fireline systems, etc.) and bulk laundry restoration.

- Cleaning to industry standards for water, fire and smoke damage.
- Perform labor intensive work in dirty environments
- Providing updates to your direct supervisor daily.
- Good communication skills, mechanical, detail, and technical skills.
- Ability to read and understand basic instructions, work orders, safety rules, operating and maintenance instructions.
- Thorough and attentive to detail; proactive with proven ability to meet deadlines.
- Ensures equipment, supplies, vehicles, and products are properly handled and maintained.
- Driving company vehicle as needed.
